

Seeking a Board-eligible/Board-certified Psychiatrist to perform Court-ordered Psychiatric Evaluations of Inmates.

The applicant will complete court-ordered psychiatric and/or competency evaluations of inmates at the George W. Hill Correctional Facility on behalf of the Department of Diagnostic Services in the Delaware County Courthouse.

- This is a 1099 position.
- \$450 per completed evaluation; \$100 per refusal.
- 5-6 day turnaround time required on evaluations.
- Needs to have own malpractice insurance.
- Flexible scheduling, but does require coordination with prison.
- Forensic experience/training preferred, but not required.
- No prescribing necessary, low liability.
- Can be provided with dictation/transcription service at no additional cost.
- Needs to have an unrestricted license to practice medicine in the state of PA.
- If board eligible, will need to have discussions with current/previous training director(s) to determine eligibility/suitability for position.

Interested applicants should call or email their CV to:
