THIRTY-SECOND (32ND – DELAWARE COUNTY) JUDICIAL DISTRICT

MAGISTERIAL DISTRICT COURTS' EMERGENCY CANCELATIONS AS WELL AS REVISED SCHEDULING AND OPERATIONAL PROTOCOLS, EXTENDED AND AMENDED

PURPOSE

Recognizing the Supreme Court of Pennsylvania has directed, *inter alia*, that the Commonwealth's judicial districts while remaining focused on the discharge of critical court functions must now additionally make best efforts in all other type matters to accomplish a more full-scale processing of cases subject to the constraining safety considerations brought about by the ongoing COVID-19 public health crisis,¹ this court in consultation with core systematic stakeholders and following the Special Court Judges Association of Pennsylvania's (Magisterial District Judges) recommendations salient to such considerations has developed and implemented the below described plan as the continuation of what is yet anticipated to be numerous purposefully measured, operational increments realizing the balance between the upmost concern of the judiciary for the safety of the court staff, all counsel, every litigant, the various witnesses of the parties, and the public generally,² while also being mindful of the necessity to once more provide with regularity for the timely the administration of justice.

That directed below as subsequent material circumstances warrant and/or it otherwise believes appropriate may be revisited by this court without advanced notice and modified to meet the evolving concerns presented by the continuing Coronavirus public health crisis.

GENERAL SAFETY and OPERATIONAL DIRECTIVES

The magisterial district court facilities within the thirty-second (32nd) judicial district (Delaware County) will as of now in accord with such a suggestion of the Special Court Judges Association of Pennsylvania be *temporarily* staffed as part of each such location's reopening with sworn personnel of the Delaware County Park Police and/or a team of Pennsylvania constables, *inter alia*, manning for at least a reasonable time those building's public entrances to assure orderly business and court operations, the general safety of the Magisterial District Judges, judicial staff, as well as all court users, and the wearing of face masks, social distancing and/or all other in effect COVID-19 mitigation spread governmental directives.³

Appreciating the various magisterial district court offices relative to the number of available constables, it is currently anticipated that teams of constables will consistent with that detailed below be assigned to certain local court facilities on the same resuming *in-person* proceedings and/or their processing, in part or whole, of public transactions (*E.g.* payment of traffic and/or parking tickets – the lodging of certain civil actions) for a week or so until such time as it has been demonstrated the operations of that specific court office are stabilized and can be conducted safely, absent a law enforcement presence, particularly salient to mask wearing, social distancing and/or any other in effect Coronavirus mitigation spread governmental directives.

Once a magisterial district court facility has reopened and been operational for a sufficient period of time so as to evidence a constancy and safety of operations that constable team will be reassigned to another local court and this process repeated until such time as all the magisterial district court facilities within this judicial district (thirty-second (32nd)-Delaware County) are again opened and to some reasoned extent publicly accessible.

Regarding those magisterial district court facilities at which *in-person* criminal preliminary hearings are currently conducted and/or will per that below be in the near future held, there will be a team of at least three (3) law enforcement personnel at **ALL** such locations, Mondays through Fridays, from 8:30 a.m. to 4:30 p.m., unless the court listings conclude sooner and the interested parties (*E.g.* defense counsel, prosecutors, and/or witnesses) have exited the building⁴ and the facility is otherwise then closed to even such limited public traffic.

The park officers and/or constables designated to a magisterial district court facility holding *in-person* criminal preliminary hearings will as is further detailed below, *inter alia*, man the public door and conduct health screenings, including the taking of temperatures, as well as security checks, on **ALL** individuals entering the building. Relatedly, these park police officers and/or constables will additionally throughout the entirety of the magisterial district court office insure as is more further described below that **ALL** persons about the facility's public areas (*E.g.* hallway from front door to courtroom, courtroom and/or rest rooms) are adhering to the various instructions of federal and/or state governmental authorities designed to mitigate the COVID-19 spread, including but not limited to maintaining at all times social distancing and/or the proper wearing of appropriate face masks.

When a Magisterial District Judge is conducting *in-person* criminal preliminary hearings, at least one (1) park officer and/or constable **MUST** at all times be in the courtroom present.

Regarding those magisterial district court facilities opened **ONLY** for purposes of transactional processing (*E.g.* filing of certain civil actions), teams of at least two (2) state constables will be designated to each such location. As a function of the interior transactional windows open to the public and the size of the building's lobby, the constables will control the flow of court users into and out of the facility in addition to performing health screenings and security checks on every individual entering the location. (*E.g.* Some larger magisterial district court facilities may have two (2) transactional windows operational spaced sufficiently apart to allow for needed social distancing and a lobby area in which two (2) other persons can wait, again

sufficiently social distanced, while another court building may only be capable consistent with current public health directives of having just one (1) person in the building at the transactional interior window with any other court users being asked to remain outside until permitted entry by the constable(s) on the immediate prior user having exited.)

The Office of the Magisterial District Court Administrator **SHALL** assure **EVERY** team of constables is sufficiently supplied with hand sanitizer, adequately sized vinyl gloves, a modest quantity of face masks, and viral sanitizing spray bottles. The Magisterial District Court Administration Office **MUST** relatedly create timely avenues of communication with the various constable teams to assure that as may be needed each is promptly resupplied with these various personal protection and related health safety items.

The Magisterial District Court Administrator working in concert with the Delaware County facilities director will assure that before a magisterial district court facility is reopened, in part or in whole, for *in-person* hearings and/or any other type public business that any such office has been sufficiently outfitted in the courtroom and/or those other areas accessible to the public with advantageously placed plexiglass and that communal seating has been rearranged and/or otherwise modified consistent with requisite social distancing.

Again working together with the county's facilities director, the Magisterial District Court Administrator will also assure that the staff areas of any office reopened to the public, whether in whole or part, has any necessary plexiglass strategically placed and/or personnel work areas rearranged in accord with requisite social distancing. Alternatively, the Office of Magisterial District Court Administration may assign to a given local court facility a lesser number of staff than usual permitting otherwise necessary social distancing and/or general overall personnel safety pending the installation of plexiglass and/or workstations being reconfigured.

The Magisterial District Court Administration Office **SHALL** assure **ALL** local court facilities to any extent staffed and regardless of whether opened, in full or part, to the public are sufficiently supplied considering the working personnel complement with hand sanitizer, adequately sized vinyl gloves, a number of face masks, and viral sanitizing spray bottles.

For **ALL** *in-person* proceedings of any type and irrespective of whether the listing also has some advanced communication technology ("ACT") participants, **NO ONE** other than the parties and/or witnesses, as well as counsel, will be permitted in the courtroom and/or in or about **ANY** Delaware County magisterial district court facility generally, absent a specifically reasoned basis to the contrary, including but not limited to a needed, Administrative Office of Pennsylvania Courts certified interpreter, a family member and/or some type of health aid assisting an infirm party and/or witness in navigating his or her way about a local court building, as well as a parent and/or guardian accompanying a juvenile witness/complainant and/or party less than twenty-one (21) years old. Otherwise, **NO** spouses, significant others, family members and/or friends of any party and/or witness will be permitted access to **ANY** Delaware County magisterial district court location until further notice, unless he or she is as well a party to the proceeding and/or a witness.

Victims-complainants having a right to be present in court for listings of their criminal case may also attend all such schedulings. The complainant-victim can be accompanied by one (1) person when so appearing *in-person* and as the victim-complainant believes best that individual may be a family member, friend, and/or victim advocacy organization representative. The Delaware County District Attorney's Office must in advance timely make known to the involved magisterial district court and the judicial staff will in turn as may be applicable notify the constable(s) and/or park officer assigned to man the public door and monitor access to the facility of any victim-complainant intending to attend *in-person* a criminal listing, as well as who, if anyone, will then be escorting that specific victim-complainant. The complainant-victim and the person, if any, accompanying her or him on entering the local court are to proceed directly to the assigned courtroom. Likewise, the victim-complainant and any individual escorting him or her **MUST** immediately on the proceeding's conclusion directly leave and exit the magisterial district court.

Subject to the direction of the presiding Magisterial District Judge otherwise, **ALL** witnesses on arriving in the vicinity of the local court **MUST** remain waiting in his or her vehicle and/or otherwise outside the facility until contacted by the lawyer or self-represented party calling the person that he or she is now for purposes of testifying to enter the magisterial district court. The witness on entering the local court facility is to go directly to the assigned courtroom. Every witness immediately on the conclusion of his or her testimonial appearance **MUST** directly leave and exit the magisterial district court, unless the presiding Magisterial District Judge instructs to the contrary.

ALL interested persons should plan to arrive at the magisterial district court facility approximately fifteen (15) minutes prior to the listing's scheduled start to allow sufficient time to work through both the below referenced security and health screening processes. Take note that individuals arriving appreciably earlier than their set time may then be refused entry by the constable(s) and/or park police officer(s) staffing the public door to prevent unnecessary loitering about the court building and/or courtroom(s).

ALL individuals entering **ANY** Delaware County (32nd judicial district) magisterial district court facility **MUST** first undergo a COVID-19 health assessment, including but not limited to the taking of temperatures, by the Pennsylvania constable(s) and/or park officer(s) assigned to monitor at the public door local court access.⁵ Based on the outcome of this Coronavirus screening assessment, the involved constable(s) and/or park police officer(s) at his or her discretion may prohibit a person from entering the magisterial district court. The constable(s) and/or park police will promptly make the presiding Magisterial District Judge aware as applicable should an individual based on the health screening not be permitted entry, including but not limited to lawyers, parties and/or witnesses.

As it relates **SOLELY** to criminal defendants, those declined entry because of the health assessment's results will be asked to remain outside the building and/or another location the constable(s) and/or park police officer(s) may direct pending the providing of a date for that

accused to return and the defendant executing as well as being provided a copy of a written criminal notice form.

In addition to having successfully undergone the COVID-19 health screening, **ALL** persons entering **ANY** magisterial district court facility **MUST** otherwise be in **FULL COMPLIANCE** with **ALL** federal and/or state directives then in place to stem the Coronavirus spread, including but not limited to the proper wearing of a recommended mask.

ANY litigant, lawyer, witness and/or other interested party experiencing a dry, persistent cough, shortness of breath-difficulty breathing, chills, muscle pain, sore throat, headache, a loss of smell or taste without congestion, and/or a fever greater than 99.5 Fahrenheit if taken with a temporal thermometer **MUST NOT** report as scheduled, but rather **PROMPTLY** notify the presiding Magisterial District Judge's office that he or she is suffering from such symptoms. (If unaware of the assigned and/or presiding judge, an interested party should instead contact the Magisterial Court Administrator's Office – 610 565-6990.)

ANY litigant, lawyer, witness and/or other interested party having been past tested and/or diagnosed by a physician positive for COVID-19 **MUST NOT** report as scheduled, but instead **PROMPTLY** notify **PRIOR TO THE LISTED DATE** the Magisterial Court Administration Office of the same (610 565-6990) and follow the directions that office then provides.

ANY litigant, attorney, witness and/or other interested party wanting to appear and participate via some type of ACT for documented medical cause (*E.g.* stemming from an underlining medical condition, one is more vulnerable to the impact of COVID-19 and has been directed by a treating physician to avoid public settings) in lieu of *in-person* **MUST** notify the Magisterial District Court Administration Office (610 565-6990) **no less than five (5) business days prior to the scheduled date** to allow for those necessary arrangements to be made by the Legal Audio Visual Department, if reasonably possible. These applications will for now be otherwise allowed subject to applicable constitutional limitations, if any,⁶ or the listing continued to a future date should constitutional and/or feasibility concerns dictate such and/or if it is reasonably believed that the nature of the proceeding and/or the individual's status relative to the case requesting remote participation would be contrary to material law and/or occasion a party to suffer actual prejudice. (*E.g.* The inability of defense counsel to visually observe a compliant-witness only available to testify aurally by telephone.) A party represented by a lawyer **MUST** first direct any such concerns about participating via some type of ACT to his or her counsel and witnesses similarly in the first instance are to initially bring these issues to the attention of the attorney subpoenaing his or her appearance, and subsequently the Magisterial District Court Administration Office (610-565-6990) only if the witness and involved counsel cannot reach some mutual understanding subject to that which the administration office can timely and reasonably arrange.

The Delaware County courts (32nd judicial district) for purposes of ACT on the recommendation of the county's IT department utilize Microsoft Teams and/or because of its

existing hardware configurations already throughout the systematic structures, including the George W. Hill Correctional Facility (Delaware County prison), Polycom. The use of other ACT's (E.g. Zoom – Microsoft Teams) may at the discretion of the presiding Magisterial District Judge be permitted and as the Office of Magisterial District Court Administration may reasonably arrange, if needed.

ALL *in-person* listing days **MUST** be held in a manner to reasonably restrict COVID-19 exposure and undertaken wholly consistent with the Centers for Disease Control and Prevention Coronavirus guidelines, as well as any other such federal and/or state directives, including but not limited to presently social distancing and/or the proper wearing of an appropriate face mask.

The presiding Magisterial District Judge and/or Magisterial District Court Administration Office will provide in advance to the assigned constable(s) and/or park police a list of **ALL** cases scheduled on a given day, including but not limited to the names of any interested parties expected to appear, as well as counsel.

For **ANY AND ALL** evidentiary hearings, the attorneys and/or self-represented parties **MUST** provide the presiding Magisterial District Judge's office with a list naming **ALL** reasonably expected witnesses no later than one (1) full business day prior to any such scheduling. **ANY** such lists received after 4:00 p.m. the day immediately prior to the hearing will not be processed and relatedly those witnesses may very well be precluded entry to the local court facility and thus not available to testify. The presiding Magisterial District Judge's office will promptly forward to the assigned constable(s) and/or park police copies of **ALL** received witness lists.

Regarding those magisterial district court locations having multiple courtrooms, there will be on a given day staggered start times for **ALL** *in-person* hearings of at least fifteen (15) minutes should more than one (1) Magisterial District Judge then be sitting.

As is more fully described below, **ALL** *in-person* matters must be set for a specific hour or alternatively, that the number of interested parties, including counsel, present in a courtroom during a certain hour is no more than twelve (12). The presiding Magisterial District Judge may as he or she believes necessary to any requisite social distancing instructed by public health authorities direct that a lesser number of individuals be permitted in the courtroom, excluding credentialed members of the press who past arranged through the Magisterial District Court Administration Office to be in attendance. Should the interested parties, excepting witnesses, be of such a number that the courtroom simply does not allow for social distancing, the Magisterial District Judge will continue the case and timely notify the Magisterial District Court Administration Office of the need to arrange that the matter be rescheduled at a facility sufficient in size to accommodate the interested parties while still permitting necessary social distancing. Once the Office of the Magisterial District Court Administrator has made those arrangements, it will provide the parties, as well as any of-record counsel, reasonable advanced notice of the case's relisted, date, time, and location.

Constable(s) and/or park police assigned to an operational courtroom will be tasked subject to any such specific directives of the presiding Magisterial District Judge with the general responsibility of managing in accord with this protocol the number of people at any given moment permitted in a particular courtroom to allow for any required social distancing. As may be necessary to assure compliance with that salient to those considerations this protocol details, constables and/or park police officers may temporarily prohibit entry into a courtroom and rather direct counsel, any interested parties and/or witnesses to remain in the waiting area, or outside the facility until their case is called and/or a testimonial appearance needed.

Should a constable and/or park police officer notice any interested party, a lawyer and/or witness in a courtroom not observing social distancing, failing to properly wear a mask, and/or not following any other of the various governmental guidelines and/or that which this protocol directs, the same is to be immediately remedied and must be promptly reported to the presiding Magisterial District Judge.

Should a constable and/or park police officer note an interested party, lawyer and/or a witness outside of a courtroom failing to comply with salient governmental directives, including but not limited to social distancing and/or the proper wearing of a face mask, such as to be immediately addressed and must be promptly reported to the Magisterial District Judge presiding over the matter involving that party, attorney and/or witness.

The continued failure and/or refusal of an interested party, counsel and/or a witness to follow the governmental directives material to stemming the COVID-19 spread may, *inter alia*, result in any such individual's immediate removal from the local court facility by the assigned constable(s) and/or park police personnel. In the event an individual for noncompliance with these safety measures is removed from a magisterial district court office, law enforcement are to immediately notify the Magisterial District Judge presiding over the matter involving that party, lawyer and/or witness of the removal. (The Office of the District Court Administrator **MUST** also be promptly notified by either the presiding Magisterial District Judge and/or constable – park police of any interested party's removal, as well as underlining the circumstances.)

ALL courtrooms utilized for proceedings will on the conclusion of a given day's cases be sanitized, as will those areas of the local court facility commonly used for individuals to get to and from a courtroom (*E.g.* public hallway from entry door to the courtroom).

Although other than that directed above and below, **ALL** magisterial district court facilities in Delaware County (thirty-second (32nd) judicial district) are constrained to remain closed for any other *in-person* public business pending the continued finalization of ongoing plans necessary to properly assuring the health and safety of Magisterial District Judges, such judicial personnel and those court users, as well as the public generally, **EACH** magisterial district court **SHALL** remain sufficiently staffed to allow for the timely answering during regular business hours of public telephone and/or mail inquiries.⁷

The Office of the Magisterial District Court Administrator **SHALL** cause notices to be timely displayed visibly about every magisterial district court facility within the 32nd judicial district (Delaware County) advising the public that these courts will remain closed for *in-person*, public business through and including October 31, 2020, excepting as allowed above and below, or this court's subsequent order, whichever is earlier, and notifying the public how fines, costs and/or restitution may be paid online, as well as about the online posting of bail funds.

Credentialed members of the media will be allowed to attend any and/or all proceedings and are to arrange in advance for the same through Magisterial District Court Administrator Charles E. McDonald, Esquire (610 565-6990). (Should the level of press attention in a given matter be of such a nature that permitting all requesting media members *in-person* access be contrary to then applicable public health guidelines (*E.g.* social distancing in the courtroom because of the appreciable numbers present not possible), the Magisterial District Court Administrator in collaboration with the interested media will create a pool of representative media members to attend *in-person* such court proceedings.)

Unless the presiding Magisterial District Judge and/or another judicial officer directs to the contrary, credentialed press members will still be able to listen to audio recordings of court proceedings at the Office of Court Electronic Recording as arranged through its Director Richard J. Coogan (610 891-4477); however, no more than one (1) media representative may at a given moment be in the Court Electronic Recording Office.

Should a member of the general public want access to a certain court proceeding he or she was currently not permitted to attend *in-person*, arrangements may be made reasonably subsequent to any such listing's conclusion for a person to review an audio recording of a particular hearing, unless the presiding Magisterial District Judge and/or another judicial officer via his or her order directs otherwise by arranging through its director, Richard J. Coogan (610 891-4477) to listen at the Court Electronic Recording Office to the same. Because of that office's significant space constraints, only one (1) member of the public at a time can be permitted for this audio review access.

CRIMINAL CASE PROCESSINGS

Magisterial District Judges in the 32nd judicial district (Delaware County) **SHALL** between the present and October 31, 2020, be available to conduct preliminary arraignments as the attached schedule directs.⁸ **ALL** criminal preliminary arraignments **SHALL** be held via video conferencing **ONLY** and relatedly **NO** arrestees and/or prisoners **SHALL** be permitted in and/or about **ANY** 32nd judicial district (Delaware County) magisterial district court facility.⁹

Magisterial District Judges **SHALL** also be reasonably available as requested by law enforcement personnel to review and process both criminal complaints as well as arrest and/or search warrant applications.¹⁰

The Magisterial District Court Administrator and/or his staff designees **SHALL** in consultation with the Delaware County District Attorney's Office, as well as the Office of the

Delaware County Public Defender and private defense bar, continue to manage and regularly list advanced communication technology preliminary hearings pursuant to that past developed protocol, subject to applicable constitutional limitations, if any,¹¹ giving sole scheduling priority to those imprisoned accuseds.¹²

There will for now be no *in-person* hearings involving inmates of any county, state and/or federal penal facility before the magisterial district courts, but rather **ALL** such listings where a defendant is for whatever the reasons incarcerated will be held through some available ACT means, assuming a defendant's agreement.¹³ **ANY** inmate of a county, state and/or federal correctional institution wanting to proceed with an *in-person* listing will have his or her matter continued for at least thirty (30) days with the hope that the currently ongoing public health crisis, particularly relative to those attendant concerns enveloping southeastern Pennsylvania, including but not limited to Delaware County, would have then sufficiently abated to safely allow for any such prisoner's custodial transportation and related *in-person* appearance before the court.¹⁴

The Office of the Magisterial District Court Administrator and/or the local court staff designees **SHALL** continue to list *in-person* preliminary hearings at the Chester district court facility on a daily basis, using both courtrooms, and consistent with the attached schedule¹⁵ allowing for the named Magisterial District Judges as best as possible to conduct their respective hearing lists on the same day of the week as would otherwise be applicable. **ALL** such preliminary hearing for now **SHALL** be scheduled in fifteen (15) minute intervals with each courtroom having a staggered start time.

The Magisterial District Court Administrator **SHALL** also continue working to finalize in discussion with the Delaware County District Attorney's Office, as well the Office of the Delaware County Public Defender and the private defense bar, to commence *in-person* criminal preliminary hearings at the Darby Borough magisterial district court facility and the Lansdowne Borough magisterial district court office beginning **JULY 20, 2020**, and per that which the respective attached schedules¹⁶ detail, both allowing as best as possible that the named Magisterial District Judges are listed to sit on that day of the week he or she would otherwise conduct criminal preliminary hearings. **ALL** such preliminary hearing for now **SHALL** be in fifteen (15) minute intervals scheduled.

Recognizing relisting such next appropriate proceedings addressing certain minor matters pending before this judicial district's (32nd – Delaware County) magisterial district courts will expedite the release of persons jailed at the George W. Hill Correctional Facility (Delaware County Prison) and/or a state correctional institution who are otherwise eligible for discharge from custody, but for some summary traffic and/or non-traffic matters, the Administrative Office of Magisterial District Courts on being notified about any such cases by a penal authority **SHALL** administratively rescind **PROMPTLY** any warrant and/or detainer stemming from an open summary traffic and/or non-traffic matter, as well as related to the payment of fines and/or costs attendant to a summary traffic and/or non-traffic case, and schedule a hearing regarding the same before the magisterial district court of jurisdiction on a date and time certain subsequent to September 1, 2020.¹⁷

PROTECTION FROM ABUSE MATTERS

Magisterial District Judges in Delaware County (32nd judicial district) **SHALL** as of the present until and including October 31, 2020, be available after hours, on weekends and/or holidays, as well as any such other times this court may subsequently direct, to review and decide per the attached coverage schedule emergency protection from abuse applications.¹⁸ **ALL** such emergent protection abuse requests **SHALL** be addressed by the covering Magisterial District Judge through some type of advanced communication technology, including but not limited to video conferencing, FaceTime, Skype, Polycom, Microsoft Teams, Zoom, *etc.*, and while a technological means allowing for both visual and audio capabilities is preferred, telephonic or audio only emergency protection from abuse hearings **SHALL** be **PERMITTED** should a combined audio and visual connection between the applicant and Magisterial District Judge not be reasonably available.¹⁹

Beyond **ALL** emergent protection from abuse requests being received by the covering Magisterial District Judge through some means of advanced communication technology, the balance of the attached Temporary Protocol for Emergency PFA Applications ... **SHALL** otherwise be followed, including but not limited to as agreed by, *inter alia*, the Delaware County Police Chiefs Association that salient law enforcement agencies will facilitate needed contact between a protection from abuse applicant and the on duty Magisterial District Judge, promptly assist in providing the petitioner a copy of the protective order the magisterial district court may issue, and/or timely make efforts to serve the named respondent with the emergent order of protection.²⁰

LANDLORD-TENANT and RELATED ACTIONS

EFFECTIVELY IMMEDIATELY and continuing through **AUGUST 31, 2020**, **ALL** execution of orders for eviction, ejectment, and/or possession of *residential properties* and/or *leasehold premises*, as well as the levy and/or attachment of residential personal property in Delaware County at **STAYED**.²¹

³ The Magisterial District Court Administration Office most recently put in place an agreement with the Pennsylvania State Constable Association – Delaware County Chapter, including necessary funding already approved by county council, allowing for approximately twelve (12) constables to provide as this protocol further details a security and health safety presence at each magisterial district court facility on its reopening.

Members of the Delaware County Park Police have and will continue to be assigned to the Chester magisterial district court facility on a full-time basis. With those sworn personnel ably addressing the law enforcement function of assuring orderly operations and general safety, there is neither a need for such nor will a constable team be dedicated to that local court office (Chester City).

⁴ There are at the Chester magisterial district court location suites for the district attorney and public defender offices and consistent with those attendant past practices staff of both agencies may as is arranged in advance with the assigned park police be about this local court office prior 8:30 a.m. and subsequent to 4:30 p.m. regardless of a law enforcement presence.

⁵ Although more specific to whether an employee will be permitted into the county courthouse-government complex, the attached Chester County Health Department workforce screening materials provide at least a general overview of the assessment process the Delaware County Park Police and/or state constables will utilize for ALL individuals attempting to enter any local court facility.

This court through five (5) prior, discreet emergent orders previously stayed all execution orders for eviction, ejection, and/or possession of residential properties and/or leasehold premises, as well as the levy and/or attachment of residential property, in Delaware County. See Emergency Order Staying Residential Property Ejection ... dated March 18, 2020; Order Extending Emergency Stay of Residential Property Ejections ... dated April 3, 2020; Second Order Extending Emergency Stay of Residential Property Ejections ... dated April 28, 2020; Third Order Extending Emergency Stay of Residential property Ejections ... dated June 1, 2020; and Fourth Order Extending Emergency Stay of Residential Property Ejections ... dated July 10, 2020.

Because this subject matter may impact both magisterial district court and court of common pleas case processing and recognizing this emergency order comprehensively details expanding magisterial district court *in-person* operations, this court has opted in an effort to reach a broader distribution to include this stay as part of the instant order in addition to the separate, previous single subject matter order. 2. Each day during the COVID19 Emergency the MDJ Admin Office will provide the TCBF and the Bail Office with the location, contact information and times the Video Magisterial District Judge(s) will be available for the following day, as per schedule approved by President Judge Kelly.

- 1.) Complete, or receive from police, the Criminal Complaint, Affidavit of Probable Cause and NCIC prior records check for each defendant.
- 2.) Fax the Criminal Complaint, Affidavit of Probable Cause and NCIC prior record check to both the appropriate MDJ Court and the Bail Office.

- 3.) Contact the Bail Office to arrange for a bail interview by video.
- 4.) Contact the MDJ Court to schedule the Video Arraignment for a time AFTER the Bail Interview.
- 5.) Have the defendant Bail Interviewed by Video with the Bail Office. NOTE: The Bail Office will fax the Bail recommendation directly to the MDJ Court after the Bail Interview.

Temporary Protocol for Emergency PFA Applications
During COVID-19 Emergency

In order to provide continual and appropriate Judicial review of Emergency Protection of Abuse Applications during the COVID-19 Judicial Emergency, a schedule has been crafted to provide for such coverage by Magisterial District Judges (MDJs) whenever the Court of Common Pleas is closed. MDJs will provide Emergency PFA coverage after 3:00 pm on normal business days or anytime on Saturdays, Sundays or holidays. MDJs will also provide such coverage if exigent circumstances require any additional closures of the Court of Common pleas.
