Promoting and Protecting the Health of Delaware County

03/27/25 Delaware County Board of Health Meeting Delaware County Department of Health Status Report

Administration

1. Old Business

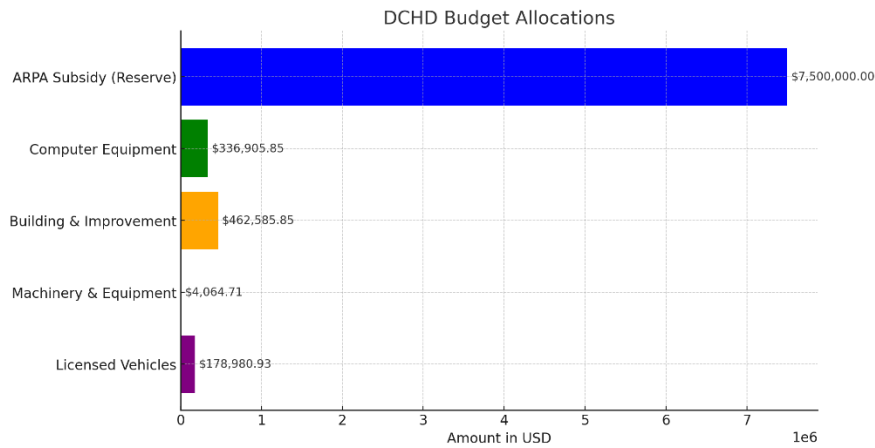

- Business systems
 - County-wide Workday transition in progress and scheduled to go live September 2025; will impact all business systems including HR, procurement, budgeting, etc.
 - DCHD alongside all our county departments supporting transition. DCHD's timekeeping's system (UKG/Kronos) will need to sunset and transition to Workday.
 - Customer Confirmation Sessions to review current build and setting were completed in February.
 - Configuration Unit Testing (CUT) is currently underway until the end of March. Awaiting release of assigned testing steps that will need to be completed by DCHD.
 - Completion of DCHD inventory template for build in Workday is currently underway.
- Policy Review Committee
 - REVISED PER 12 Remote Work- Ongoing review and discussion with DCHD leadership. All staff surveyed week of 3/10/25.
 - Conducting Stronger Together Review of policies.
- Infrastructure/Capital Improvements
 - In February, the Operations team managed facility related items including:
 - Plumbing repairs in both Yeadon and Chester Wellness Center(s)
 - Electrical outage issues in Yeadon due to loss of power
 - Addressing roof leaks in Yeadon Phase 3
 - Installation hand dryers in Chester and signage throughout the facilities.
 - Replacement of a main thermostat in Yeadon Phase 3, and installation of thermostats in the warehouse and control covers over existing thermostats.
- DCHD IT Workforce/Performance Data Systems
 - AchieveIT: The 2024 Program Plan completed and 2025 Program Plan Administration work sessions conducted and 2025 plan launched in March.
 - EzEMR:

- CDP INVENTORY for medications has already been actively in use by the clinics. Clinical supplies can also be tracked, and scope will need to be evaluated for build.
- Automated appointment reminders are currently being implemented for our clinics at no cost. This feature includes integration with TWILIO for the messaging component.
- Training and onboarding materials to be developed in March.
- Qualtrics contract ends in December 2025; evaluating alternatives for cost and functionality for surveys and Wellness Line ticketing.

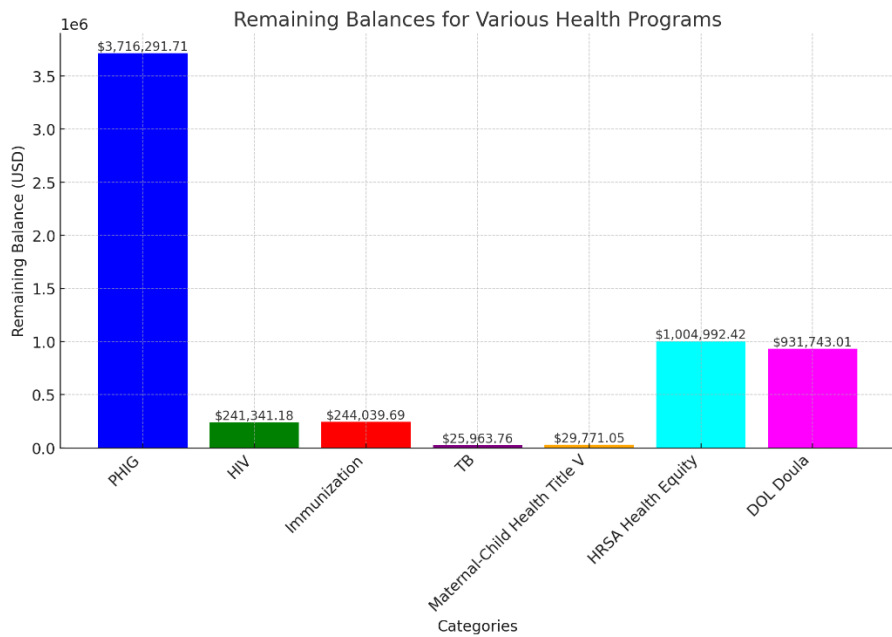

2. New Business

○ 49-5852 FY25

- County Budget Office confirmed ARPA – Delco Health rollover
 - \$7,500,000 ARPA Subsidy 49-5852-635032 – these funds are in reserve to cover County contribution for DCHD budgets through 2026/27

- HUD Lead Hazard Reduction (LHR)
 - Collaborating with Office of Housing and Community Development; awaiting budget negotiations with HUD.
- Opioid Settlement Funds
 - Budget and program revisions completed and submitted for Test & Go and Delco Revive.
 - Purchases and reimbursements will commence with the creation of the funding account in SAP.

- Human Resources
 - Recruitment
 - Administrator of Personal Health – **posted**
 - Administration Logistics/Warehouse Coordinator, selected for hire, start date TBD
 - Administration Mobile Health Coordinator – **posted** (new position, approved Personnel Board February 2025)
 - Personal Health Program Coordinator, Grant Management, selected for hire, tentative start date 4/7
 - New Hires:
 - 3/3 Kyle Kovalkoski, Environmental Health Specialist
 - 3/10 Kristina Snyder, Administration Payroll/Procurement Specialist
 - 3/17 Dani Coleman, Personal Health/Administrative Assistant
 - Promotions/Transfers
 - 2/17 Stephanie Reese, Deputy Director
 - Separations
 - 2/14 Kathleen Kenney
- **FLEET**
 - EV Charges at Orange Street Lot and Fair Acres are fully functional; DCHD has been provided with 15 Radio Frequency Identification (RFID) cards for vehicles H1-H15.
- **STAFF ENGAGEMENT COMMITTEE**
 - The Staff Engagement Committee has identified two activities for the first half of 2025:
 - Clean the Green, a beautification program of County parks launched in 2024, will take place again on Friday, April 4th. This community service project will serve as DCHD’s anniversary gift to the public.

- A “Staff Feud” (Family Feud-style) team building activity is scheduled for June 11th. This friendly competition will engage staff on topics like summertime safety and health.

3. Highlights/Successes

- Our recent site visit on Thursday, December 5, 2024, regarding the HIV grant showcased the effectiveness of both the Fiscal and Programming teams in anticipating and fulfilling the expectations outlined in our HIV grant agreement.

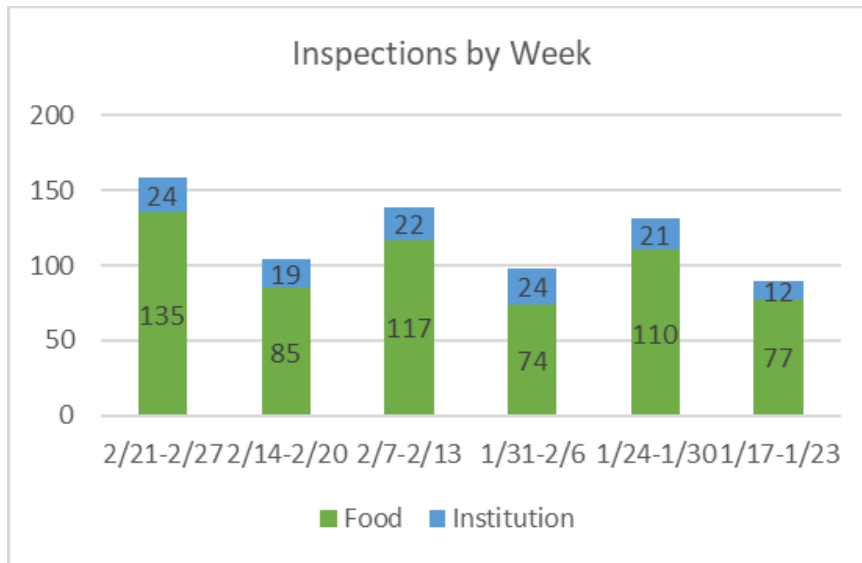

Environmental Health

1. Old Business

- Mosquito-borne Disease Control (MDC):
 - Approved 2025 MDC Grant was signed by county clerk and BOH Chair as of 1/9/25.
 - Currently looking into trends of trap positive location and counts in 2024 and historically in Delaware County.
 - Supply ordering for 2025 MDC program Q1 has begun. A supply quote and specialized order form were submitted by EH, to be reimbursed by the MDC grant. New vendor request information was submitted to County on 2/26 for new mosquito surveillance equipment.

2. New Business

- Operations:
 - Food Safety:
 - 135 Food Inspections 2/21-2/27
 - 104 Routine
 - 23 Follow-up
 - 5 Complaint
 - 2 Opening
 - 1 Plan Review
 - 160 Total inspections 2/21-2/27
 - 24 Institution
 - 1 Pool

- Sewage and Water:
 - Date 2/1/25 – 02/28/25
 - 10 Well Permits were issued
 - 12 LWH trucks inspected
 -
- General Operations:
 - Working with Pennsylvania Department of Agriculture (PDA) on developing a non-profit food volunteer class through DCHD EH
 - PDA currently offers this typically in areas they cover for regulatory purposes
 - PDA offered to loan DCHD presentations to assist in developing a class directly out of DCHD EH – Staff currently working to re-develop presentation for 2022 Food Code, Delaware County Health Codes, and DCHD branding
 - Team working with Planning on GIS abilities for creating MDC maps.
 - Resolution for Code revision approved and signed at 11/21/24 BOH meeting
- Staff/Training:
 - All EHS completing “Curriculum for Retail Food Safety Inspection Officers” to meet FDA Voluntary National Retail Food Regulatory Program Standards, Standard 2- Trained Regulatory Staff
 - First Peer Led Work Session- Mobile Food Facilities was well received by all staff
 - Inspection Audit processes were finalized to improve on systems and processes.

3. Highlights/Successes

- DCHD SEO Joe Linderman gave a presentation on the regulatory side of septic system installation and did a wonderful job representing DCHD and DCHD EH team’s achievements in a 90 minute presentation to peers across the Commonwealth at the Pennsylvania Onsite Super Conference in Harrisburg, PA on February 3, 2025.
- Interdisciplinary DHCD team met at Yeadon Borough for a roundtable discussion with local stakeholders, real estate developers, and Yeadon Borough Manager in February 2025. Next steps were identified and DCHD will work to reach more community partners within Yeadon about ongoing public health initiatives, including lead poisoning prevention, outreach and local code enforcement. EH will work with the Yeadon Economic Development Corporation about planned initiatives that involve food safety.

Personal Health

1. New Business

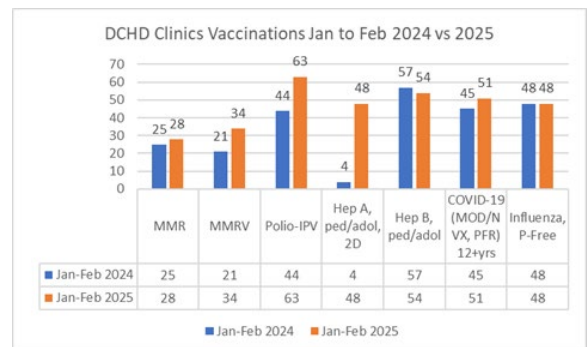

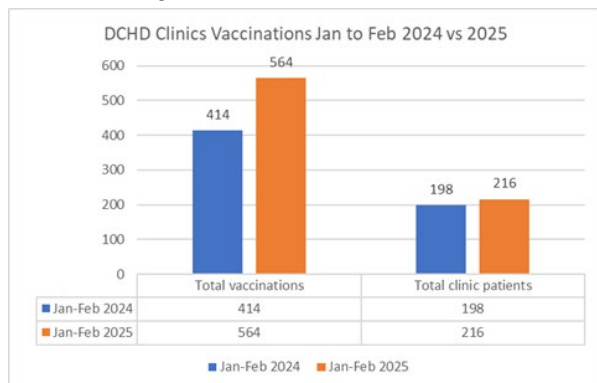

- In January 2025, DCHD was successfully awarded a competitive Supplemental Award Funding (SAF) from PADOH’s Bureau of Immunization of \$120,000. We have identified 4 partners to collaborate with through June 2025, focusing on increasing immunization rates across the county:
 - AFAHO
 - ChesPenn
 - Media Pediatrics
 - Keystone First
- DCHD’s Community Health Improvement Plan (CHIP) Maternal, Parental, and Infant Health Committee is collaborating with Dr. Taylor and Rosemarie Halt to co-host a full Delaware County Maternal and Child Health Task Force Meeting on March 26, 2025.

2. Old Business

- DCHD immunization summary:

	Jan-Feb 2024	Jan-Feb 2025
Total vaccinations	414	564
Total clinic patients	198	216
	Jan-Feb 2024	Jan-Feb 2025

** YTD for last week (MMWR week 9) in 2024 compared to week 9 in 2025 and change this year's compared to last year*

3. Highlights/Successes

- We received Delaware County's 2024 School Immunization Law Report (SLIR) from the state. In 2023, there were 24 Delaware County schools who did not report, 10 of which were public schools. Thanks to the outstanding work of Marie Dore, DCHD's Immunization Health Consultant, in 2024, there were only 10 non-reporting schools and there were NO public schools on the list. We are receiving very positive feedback about DCHD Personal Health team's ongoing support to our county's schools.
- DCHD successfully awarded \$120,000 supplemental immunization grant, as noted above in new business.

Population Health

1. Old Business

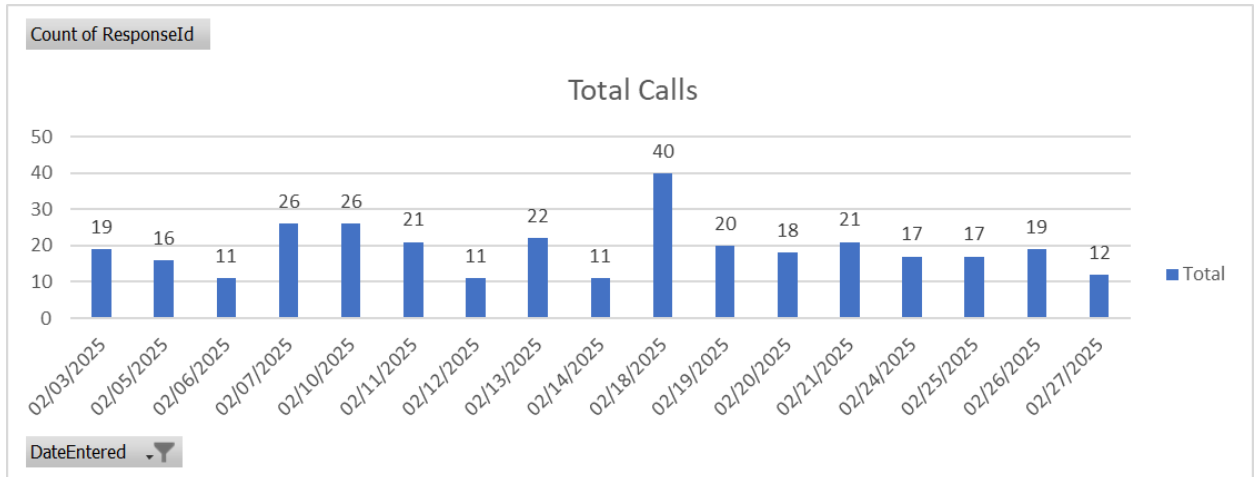

- Ongoing Public Health Emergency Preparedness activities include:
 - Dedicating significant support to Delaware County preparedness activities related to the Prospect Medical/Crozer Health System bankruptcy and closure concerns.
 - Supporting public communications via the DCHD Prospect Medical website update page and via the Wellness Line.
 - Co-chairing the Social Services/Public Health Contingency Workgroup, and participating on all other county workgroups.
 - Working to support health system implementation of the PADOH/Southeast Healthcare Coalition Juvare EMResource for healthcare system emergencies impacting Delaware County/the region.
 - Monitored Delaware County Everbridge Incidents, including:
 - 2/17/25 – Wallingford Skilled Nursing Facility power outage.
 - 2/25/25 – Hospital building system failure – Riddle Memorial Hospital
- Continuing ongoing Disease Prevention and Health Promotion programming include:
 - Education on Heart Health facilitated by AHA
 - CPR demonstration facilitated by Delco Revive
 - Blood pressure screenings provided by Mainline Health
 - Community Engagement Campaign Kick-off Meeting 2/6/25

- Update to Jefferson Mobile Mammogram Screening; 3/26/25 Yeadon
- DCHD partnering with COSA to support 2025 Senior Games; 2025 is the 35th Anniversary of the Delaware County Senior Games; tentative dates are 6/9/25 and 6/20/25
- Jefferson's Strollin' Colon Event is confirmed for 3/24/25 at the Government Center
- Continuing planning for Yeadon Back to School Event on 8/16/25. Two barbers have been secured.
- Test and Go/Delco Revive:
 - Completed two DCHD CPR classes, and one staff STB and Narcan Training
 - Chaplain Geraldine Caldwell of Chester Chaplains Corps will hold their CPR class at the Chester Police Station on 4/1/25
 - Church members will be scheduled at the Christian Church of Chester on 4/10/25

- DCHD CPR Training Discussion with SCI Chester- Update 2/25/25; James Archer, M.S., Reentry Parole Agent at SCI-Chester, shared an update that DCHD cannot bring needed supplies into the prison to complete a CPR class. For now, DCHD will attend their Network for Success information Session on 4/29/25
- DCHD kicking off our HRSA-funded Community Engagement Campaign to engage with our community in preparation for building DCHD's mobile unit programming. Contracting with Community Capacity Builders (CCB)
 - Kick off meeting held on 2/6/25.
 - CCB shared a proposed plan to kick off their engagement campaign for the Mobile Unit and a timeline for deliverables
- CHIP, Chronic Disease:
 - Weight Management Challenge- DCHD, Fitness & Me
 - DCHD is Partnering with Healthy Fitness Connections to offer a FREE 8-week healthy weight management challenge. This challenge will be driven by using the Health Fitness Connections app, and we will provide weekly community activities to keep participants engaged.
 - In-person weigh-in days (2/19/25, 2/20/25, 2/21/25)
 - Start date: 2/24/25 with a virtual weigh-in option
 - Weekly activities include dog walking, recipe relay, and round table about what worked and what did not
 - Registration number: 88 participants
- CHIP, Whole Person Care
 - Application in progress to the OMHSAS Mental Health Planning Council (MHPC)
 - Implementing Pathway to Wellness Youth Mental Wellness Pilot Program with Chichester School District (aligning with CHIP Whole Person Care priority area)
 - DCHD is partnering with community organizations centered around mental health and substance abuse to offer monthly workshops in the middle and high schools in Chichester to offer mental wellness classes
 - Chichester Middle School completed its second session with MVP on 2/13/25
 - 6 students attended
 - Chichester HS completed its second session with MVP on 2/19/25
 - 6 students attended
- CHIP Maternal, Infant and Parent
 - Submitted proposal for a new maternal health series for May; proposal review in-progress
 - Developing breast cancer survey for Delaware County residents, targeted at understanding breast cancer screening barriers in women

- **HRSA Updates:**

- Cold Storage Initiative. DCVD is continuing to implement this initiative to alleviate food insecurity in Delaware County. DCHD accepted applications from local non-profit organizations interested in purchasing cold storage equipment for food pantries. The first refrigerators/freezers were delivered in February 2025. The first was delivered to Loaves and Fishes Food Pantry in Prospect Park, and the second was delivered to Murphy’s Market in Upper Darby. Four additional community pantries are approved for cold storage units.
- Childhood Lead Poisoning Prevention. DCHD kicked off “1-2-3 Lead FREE Me” with a book reading event with Dr. Taylor at the Widener Early Childhood Development Center.

2. New Business

- **Upcoming Events in March**

3/6/2025	DCHD Fitness & Me- Virtual Recipe Relay	6:00 PM
3/6/2025	DCHD- Pathway to Wellness Middle School	12 pm- 1 pm
3/12/2025	Cooking for Wellness- Keystone First	11 am- 1 pm
3/12/2025	DCHD- Pathway to Wellness HS	12 pm- 2 pm
3/14/2025	DCHD Fitness & Me- Zumba Class	5:30 PM

3/24/25	Jefferson’s Strollin Colon Event	11 am- 2 pm
3/25/2025	DCHD Fitness & Me- Chair Yoga-	12:30 PM
3/26/2024	Cooking for Wellness- Watkins Center	11 am- 1 pm
3/26/2024	Jefferson Mammogram Event- Yeadon	9 am- 3 pm

3. Highlights/Successes

- Dr. Key and Rasheeda Williamson’s abstract to NAACHO on DCHD’s Test and Go public health kiosk program for the July 2025 national annual conference was accepted.
- DCHD is excited to be moving forward with the Delco Revive and Test and Go kiosk expansion projects awarded funding under Delaware County’s opioid settlement. DCHD negotiated new contract terms that will expand the county’s kiosks to 5 locations at the same cost as 3 locations previously. In April, the two new kiosks will be placed in the

county, one at Delaware County Community College in Middletown and one at SEPTA's 69th Street terminal in Upper Darby. Gun locks provided at no cost to the County District Attorney's office will also now be available in all kiosks starting in March 2025.

Epidemiology

1. Old Business

- Ongoing epidemiological surveillance and data evaluations, including:
 - DCHD Test and Go Kiosks demographic & utilization data (e.g., Condoms, Narcan, Covid and Flu Respiratory Panel Kit Xylazine/Fentanyl Test Strips).
 - Delaware County Child Death Review data (Homicide, Suicide, Gun Involvement)
 - Delaware County Suicide deaths (all ages, sex, races)
 - Delaware County births by hospital
 - Provided data analysis and talking points to Delaware County Executive Director, and Congresswoman Scanlon, on selected topics (e.g., hospital closure impacts, heart disease, vaccines, pertussis, gun violence)
 - Responded to requests and provided data presentations to the Delaware County Medical Society
- Participated in Louisiana State University - National Center for Biomedical Research and Training (NCBRT) course Team Approach to Foodborne Outbreak Response in December 2024 in Millersville, PA.
- Renewed access to CDC Library's pilot project, Delivering Access to Resources Today (DART), which allows state and local health departments to gain access to free peer-reviewed publications.
- Designed and led a foodborne outbreak tabletop exercise for DCHD Personal Health, Environmental Health, and Epidemiology staff members in December 2024.
- Expanding dissemination/utilization of RedCap utilities including survey questionnaires and performance/evaluation reporting measures at DCHD.
- Onboarded/trained new Epidemiology Research Associate who started in November 2024.
- Continuing work to leverage new GIS mapping capabilities (linking National Electronic Disease Surveillance System PA NEDSS) with Delco GIS IT Data Office.
- Ongoing coordination regarding DCHD Community Health Assessment (CHA) /Community Health Improvement Plan (CHIP) to implement community-based strategies addressing 1) Whole Person Care, 2) Maternal, Parental, and Infant Health, and 3) Chronic Diseases. Provided examples of program planning and evaluation measures/tools to DCHD Community Health Assessment / Community Health Improvement Plan workgroup leaders and external consultants
- Expanding networking relationships with private and public stake holders, and participating in new environmental and health and human service advisory committees and coalitions.
- Monitoring and participating in national and regional forums.

2. New Business

- Providing technical assistance and consultation on grant writing to Chester City Health Department and DCHD Personal Health Administration, including the development of

- grants' notice of funding application guidance, developing rationale to justify need of grant funds, creating a workplan and evaluation measures.
- Enhanced coordination and training with DCHD Disease Investigation Specialists in day-to-day operations including and not limited to reportable diseases, outbreak investigations, outbreak tabletop exercises, and quality assurance activities.
 - Assessing Sexually Transmitted Infections (STIs) investigations' outcomes, especially regarding cases' pregnancy status, and identification of who, where, when or STI associated risk factors.
 - Conducting joint DCHD and PA DOH epidemiology staff quality assurance of datasets derived from PA National Electronic Disease Surveillance System (PA NEDSS).
 - Responded to technical assistance requests from the lead coordinator of the Health Care Improvement Foundation, Regional Community Health Needs Assessment (rCHNA) project.
 - Accepted invitations to present on Vaccine Hesitance at the Allegheny County Immunization Coalition Meeting in March 2025 and epidemiology and prevention of childhood reportable/infectious diseases presentation for the Delaware County Department of Human Services.
 - Increased DCHD's surveillance capacity regarding Avian flu and influenza outbreaks.
 - Planning basic evaluation strategies regarding the effectiveness of DCHD Kiosks' STI product demand and utilization.
 - Planning for three members of DCHD Epidemiology Division to pursue Certification in Infection Control (CIC) course and exam.
 - Evaluating HIPAA compliant survey software options with improved multi-language capabilities.

3. Highlights/Successes

- DCHD Epidemiology technical support to the City of Chester resulted in a successful healthy homes/lead mitigation grant award of \$350,000 to the city. DCHD provided support on the grant needs assessment, work statement, and evaluation plan. In addition, DCHD Epidemiology technical support to DCHD Personal Health on needs assessment, work statement and evaluation plan resulted in a successful vaccine education grant award to DCHD of \$120,000.
- Facilitated access and coordination of PA Pregnancy Risk Assessment Monitoring System (PRAMS) data sets (PRAMS is a surveillance system developed to reduce infant morbidity and mortality by influencing maternal behaviors before, during, and after pregnancy)
- Established networking relationship with the PA DOH Oral Health Program, Chronic Diseases Epidemiologist, and Chester and Delaware counties dental societies
- Developed a mutually nurturing communication channel with multiple long term care facilities including assisting nurse preventionists in disease control and reporting of outbreaks.

Communications

1. Old Business

- Successfully launched Lead Free 123 lead poisoning awareness campaign.
 - Secured analytics and meta business profile access.
 - Art and elements for Clear Channel Billboards and bus shelters were submitted. All buys were installed the week of 2/17. Some were delayed because of wind conditions.
- Supplied Ceisler Media with feedback for one pager and provided graphic elements for Test and Go kiosk, Delco Revive, Vector Borne Illness Surveillance.
- Met with Inzpire to strategize ad creation for 69th street domination campaign. The station domination campaign package included (25) Two-Sheets poster ads (12) Light Pole Banners (8) Station Kings(large banners) and (8)Digital Platform Screens.
 - The purchase of this campaign is mainly to promote the resources available in one of the two new Test and Go Kiosks. One being installed inside 69th St. station where all of these ads will be. There will be no other non-digital ads from other companies that would compete with DCHD's for attention. We can also advertise general health department info like DCHD's wellness line or clinical services available.

2. Highlights/Successes

- DCHD LeadFree123 campaign getting great visibility and is encouraging partners such as local municipalities to collaborate on this issue. DCHD collaborated with the City of Chester Health Officer and Children First to present on this topic in the Mayor's Lecture Series in March 2025. This led to Chester City officials participating in DCHD's sponsored lead risk supervisor, risk assessor, and inspector classes later in March 2025, which will support the City's ability to enforce their local lead ordinance. After a presentation by the DCHD team in March 2025, Lansdowne Borough Councilperson commented that the DCHD team knocked it out of the park with stats, facts, and everything, and they were fired up to help their community.
