*****BID QUESTIONS, CLARIFICATIONS AND ANSWERS*****

Questions #1: I only see 2 of the required appendices available for download. Can you please upload the rest?

Answer: For the purposes of this RFP, there are only two appendices that contain information related to the project. There are Attachments that are serving the role of are/were our usual appendices. The bulk of them are within the core RFP document, while Attachments O and Q are separate, but included as part of the public files.
