Pursuant to P.L. 98-435, a telecommunication device (TDD) is provided for individuals to receive election information who are hearing/speech impaired. TDD users may utilize this service by calling **1-800-654-5984** and telling the communications assistant they want to speak to the Bureau of Commissions, Elections and Legislation at 717-787-5280. This notice is published according to the Federal Voting Accessibility for the Elderly and Handicapped Act (P.L. 98-435), which has the purpose of making polling places to be "accessible" to handicapped and elderly voters. The term "accessible" is used in conjunction with the Federal Voting Accessibility for the Elderly and Handicapped Act and not the Americans With Disabilities Act.

IMPORTANT INFORMATION ABOUT ALTERNATIVE BALLOTS

Any registered elector who has a disability, or who is 65 years of age or older irrespective of disability, and who has been assigned to vote at a polling place that has been officially designated as "inaccessible" by the county board of elections, **has the right to vote through an Alternative Ballot.**

An Alternative Ballot is a paper ballot for which a qualified voter must apply to the Bureau of Elections at least seven days before Election Day. If approved, a voter may complete his/her Alternative Ballot at the Bureau of Elections, 201 West Front Street, Ground Floor, Media, PA at any time before the close of the polls on Election Day. However, the Bureau of Elections must receive the completed Alternative Ballot (either through the U.S. mail or by hand-delivery to the offices of the county Bureau of Elections) no later than 8:00 P.M. on Election Day. However, an application for an Emergency Alternative Ballot may be submitted until 8:00 P.M. on Election Day.
